## $Lazy\ Learner^{TM}$

Primary Activity #24

Mind controlling organizations only want you to understand one side of each issue. To understand how mind control and brainwashing work, read all the white pieces first to get the effect of "elevation." Then read the corresponding white and black pieces together to get the effect of reality. Critical thinking is the process of examing both sides to any issue to understand it fully. Critical thinking is a healthy life skill and is discouraged by all mind-controlling organizations.

Families are forever	but only if every member makes lifelong payments to the church.	The priesthood will bless you	but don't try to use it for healing COVID.	The church believes in strong families	but creates hours of busy work which competes with family time.	Put The Lord first	we represent The Lord, so put us first.
	We love you	only when you are obedient.	Joseph Smith was a Prophet of God	so long as he wasn't speaking about Quakers who live on the Moon.	It's wrong to criticize the brethren	even if the criticism is true.	
Keep the Sabbath day holy	unless you are a travelling G.A.	The Book of Mormon is true	despite its plagiarized sources, math fallacies, and anachorisms.	The Spirit testifies of truth	even fictional truth from Hallmark Movies and Paul Dunn talks.	Contention is of the devil	so don't question anything we say or disagree with us because you are doing the work of the devil.
	The Lord loves each one of you	but only conditionally, if you pay your tithing.	Jesus atoned for all men's sins	except for those who don't make two car payments a month to his church.	An angel with a flaming sword threatened Joseph to begin Polygamy	and that angel was no were around to save Joseph Smith during his mob attack at Carthage.	
The priesthood is the power of God on Earth	but "Black people won't receive it on this planet." -B. Young	"Father Adam was God." -B. Young	Adam was not God.	"The saints can handle anything except wealth."	said Brigham Young, one of America's first Millionaires.
