

As a young boy, Joseph Smith loved to read about the adventures of famed pirate Captain Kidd. Legends tell of a golden treasure on the island, near the capital city of Moroni. Help Captain Kidd find the gold, which is hidden in an ancient stone box on the side of the hill on Camora. Use a d6 to move step by step towards the gold. Avoid the natives and scorpion to stay alive. Play with friends to see who gets to the gold on the Hill first.
